TOP 5 REASONS TO USE datapath summit

WHERE DO YOU WANT TO grow?

Considering an all-in-one administrative platform? You have choices.
Get where you want to grow with DataPath Summit.

1 DATAPATH SUMMIT GIVES YOU THE FLEXIBILITY NEEDED TO SUCCEED IN TODAY'S MARKET

- Administer all tax-advantaged, post-tax, and compliance plans (like COBRA) in a **single administrative platform**
- Scale up as new products enter the market, such as Lifestyle Spending Accounts (LSA) and Student Loan Reimbursement Accounts/Programs (SLRA/SLRP)

2 DATAPATH SUMMIT IS A PROVEN ALL-IN-ONE ADMINISTRATIVE PLATFORM

- DataPath Summit has undergone **more than 5 years of real-world usage**, with regular upgrades and enhancements
- DataPath Summit clients do not have to endure the irregular customer experience that comes with a newly released technology platform

3 TPA-LEVEL PLAN CUSTOMIZATION SAVES YOU TIME AND HASSLE

- **Set up just about any plan at the TPA level**, including complex HRA plans, without the need for intervention from the DataPath Summit customer support team

4 ACCURATE AND AFFORDABLE BUSINESS PROCESS OUTSOURCING

- From plan setup and participant demographics to claims entry and fulfillment
- Experienced in all plan types including **FSA, HSA, HRA, ICHRA, LSA, COBRA, and more!**
- Able to accommodate unique client preferences and practices
- Scale up to serve a big new client or just get help to survive enrollment season
- Convenient FTE pricing; reduce operational costs by up to 60%

5 WE DON'T COMPETE WITH OUR CLIENTS

- DataPath Summit recognizes that our growth and success are dependent on the growth and success of our clients. **We are not interested in competing with you**
